Our Christian Ethos and Values

Our academies are open to all and accepting of all regardless of faith. Our passion and ambition are to see children and young people in all our academies achieve excellent educational outcomes alongside developing and growing into their potential as individuals made in the image of God.

Our culture is one of high aspiration for all. This is rooted in our Christian values as demonstrated in the life and teachings of Jesus Christ. We have a desire to see our academies acknowledged as places of aspiration, high quality learning, achievement and hope making a significant contribution to the communities they serve.

All policies within St Benet’s Multi Academy Trust (hereafter referred to as “the Trust”), whether relating to an individual academy or the whole Trust, will be written and implemented in line with our Christian ethos and values.

Overall accountabilities and roles

The Trust has overall accountability for all its academies and staff. Through a Scheme of Delegation for each academy it sets out the responsibilities of the Trust, its Executive Officers, the Local Governance Committee and the Head Teacher. The Head Teacher of each academy is responsible for the implementation of all policies of the Trust.

All employees of the Trust are subject to the Trust’s policies.

Appendix 1: Induction Checklist	8

1. Introduction

- 1.1 This policy applies to all employees and to volunteers (as appropriate) and agency staff who will all receive a tailored induction programme which will include appropriate information, training, observation, and mentoring. Safeguarding, Health & Safety, e-safety and GDPR will feature prominently in every induction programme.
- 1.2 This policy is separate to the Probation Policy, and for those new to the Academy or Trust, their induction will run concurrently with the probation process.
- 1.3 The Induction Programme should be cross-referenced to the ECT Induction requirements (all ECTs must attend the Trusts ECT training programme) and any apprenticeship enrollment programmes, where appropriate.
- 1.4 The first weeks and months are vital to the success of any appointment. The arrangements made for introducing a new employee, volunteer or agency worker to the duties of the post, and to the academy and trust as a whole, provide the foundation for successful and safe contribution to the Trust.
- 1.5 The Induction Programme is designed to help new employees, volunteers and agency workers become familiar with the requirements of their position and learn about the culture, ethos and working practices effectively and efficiently so that they become knowledgeable and confident as quickly as possible. This will include access to and familiarisation with the Health and Safety and Safeguarding Policies and Wellbeing support offered.
- 1.6 The aim of the induction policy is to have a clear and consistent approach to the induction of new employees. The induction process will:
 - Provide a smooth and effective transition to working at the Academy/Trust
 - Ensure every individual understands their role and where this sits within the operation of the Academy and Trust.
 - Provide key information and training on policies and procedures
 - Ensure employees understand the Trust's commitment to safeguarding and the related policies and procedures.
 - Ensure staff understand the Health & Safety obligations of both employees and the employer.
 - Advise staff on how to work safely, including an awareness of common-sense practice to minimise the risk of allegations against a member of staff
 - Enable the employees to contribute to improving and developing the overall effectiveness of the Trust, raising pupil achievement, and meeting the needs of pupils, parents and the wider community
 - Contribute to the employees' sense of job satisfaction and personal achievement
 - Explain the Trusts Code of Conduct to ensure that all staff and volunteers new to the Trust understand what is expected of them and gain support to achieve those

expectations

- Identify and address any specific training needs

1.7 The induction programme will include:

- An induction checklist of the policies, procedures and training to be covered
- An induction timetable
- Details of help and support available
- Details of work shadowing, if appropriate
- A diary of induction meetings
- Details of other relevant individuals with responsibility for induction e.g. the Designated Safeguarding Lead (DSL)

2. Management and Organisation of Induction

- 2.1 All Central Team, Headteacher and Executive Headteacher inductions are managed and overseen by the Central Trust Team, with support from the DoNESC HR Department.
- 2.2 The Trust delegates day-to-day responsibility of implementing the policy to the Executive Headteacher / Headteacher of each academy, who are responsible for the overall management and organisation of inductions for new employees, supply teachers, agency staff and volunteers. This responsibility may be delegated to the relevant Senior Leader who will be line managing each individual.
- 2.3 The person responsible for induction should:
- Make arrangements to ensure that a new member of staff, volunteer or member of agency staff is welcomed.
 - Ensure that immediate needs are identified before taking up the position where possible
 - Provide, if appropriate, a tour of the school and information about facilities, answering questions and giving practical advice
 - Introduce key personnel
 - Ensure that an Induction Programme is provided, delivered and evaluated
- 2.4 All academies will provide annual safeguarding training at the start of the academic year, which is mandatory for all current and new staff. Where staff join during the academic year, online safeguarding training should be completed using the below resources:
- IAM Compliant Safeguarding Modules
 - Government Prevent Awareness Training
 - Reading all relevant sections of Keeping Children Safe in Education

A meeting must also be held with the Designated Safeguarding Lead, to ensure that the Academy Safeguarding policy is shared, that procedures are explained and training on the Child Protection, Safeguarding and Pastoral monitoring system (such as CPOMS) is provided.

- 2.5 Mandatory Health and Safety Training modules should be completed online via IAM Compliant within the first 8 weeks of the start of employment. Reference should be made to the Health and Safety Policy, notably HS21 Training Matrix for Staff, which outlines the training requirements for each job role.

3. Induction Programme

- 3.2 The induction programme will be planned making use of the induction checklist (see Appendix 1). The induction checklist provides a list of the baseline information that should be given to employees who come to work at the Trust. The checklist provides a generic framework; not all elements will apply to all new employees, particularly new starters transferring from within the Trust. These areas are not intended to be exhaustive and careful consideration should be given in relation to each post and the experience of the post holder.
- 3.3 In addition to this checklist, line managers should spend some time tailoring induction programmes to specific individuals, in preparing relevant, specific information that will be required to help the new employee to settle into their job efficiently and effectively.
- 3.4 All new staff, including employees, supply teachers, agency staff and volunteers should be given appropriate induction advice, training and resources by their Headteacher or line manager, and in the case of Trust staff the HR department, on the following areas:
- Safeguarding children, children protection and Part 1 of Keeping Children Safe in Education, including the Trust Safeguarding Policy and procedures, and academy Designated Safeguarding Leads
