

## Harvest Festival celebrated by Beacon Federation schools

Both Beacon Federation schools—Dickleburgh Primary and Garboldisham Primary—have recently taken part in Harvest services.

It was lovely to have Rev Carl and Rev Josh leading these for us in school. Food donations have been taken to the Waveney Foodbank, who have sent messages of thanks to both schools.

Following our service at Dickleburgh Primary, one little boy in Year 3, Albert, saw a homeless man in Norwich whilst having lunch with his parents. He told his parents about the Harvest service and said he wanted to keep his apple for the man and asked if they could buy him a sandwich and a drink. Mum and Dad are understandably very proud of Albert, and so are we!

## St Mary's Junior Academy Community Champions making a difference

The Year 3 students are "Community Champions" for Mayfields Care Home in Long Stratton.

Through regular visits they focus on combating loneliness through intergenerational connection. The children prepared engaging activities and half termly visits to share with the elderly residents, fostering meaningful relationships.

## Rollout of Juniper MIS across St Benet's

As the two Juniper Sonar training sessions have now taken place, we are moving our focus to the rollout of the MIS software across the Trust's schools.

Rosemary Ison (DoNESC Operations Manager) and Juniper are preparing a phased rollout implementation plan for the MIS software. This will involve in-person and online training sessions for admin staff members which will be scheduled a number of weeks ahead of your school's actual rollout date.

The MIS rollout programme is starting in October with Tacobness & Morley Primaries and further information in respect of the rollout will be shared with Headteachers in the coming weeks as details are firmed up.

Pupil Asset will continue to run alongside Juniper for a period of time as the new system beds in.

If you have difficulty logging into SONAR and the 'forgotten password' link is not working, please contact the Juniper support desk on the email [sonartrackerhelp@junipereducation.org](mailto:sonartrackerhelp@junipereducation.org) or use the link <https://help.junipereducation.org/>.

## DoNESC News

### Cyber Security Breach - Guidance on Staying Safe

You may well be aware of the recent cyber attack on Kido Nurseries, which resulted in the theft of sensitive data. It's a timely reminder for us to prioritise and strengthen our cyber security measures. **It is believed that access was initially gained through a phishing email.** Read more about this incident here: <https://www.bbc.co.uk/news/articles/cpvlgzk0xvpo>

Protecting the personal information of our students, families, and staff is of utmost importance. Below are some key steps and recommendations to help ensure we remain vigilant and secure:

#### Review and Strengthen Password Practices

- \* Use **strong, unique passwords** for all accounts, ensuring they include a mix of letters, numbers and symbols.
- \* Avoid reusing passwords across multiple platforms.
- \* Consider using a **reputable password manager** to securely store and manage passwords. Both Microsoft Edge and Google Chrome have an inbuilt password manager. This feature has been enabled for the Cloud schools and will be enabled for the rest of the schools over the coming year as the move to the Cloud is completed.

#### Enable Multi-Factor Authentication (MFA)

- \* Wherever possible, enable MFA for all systems and accounts. This adds an extra layer of protection, even if a password is compromised. There is a project being commissioned with OfficeXpress to enable this on centralised Microsoft 365 and Google Workspace platforms and it will be in place for everyone by the end of the academic year.

#### Be Alert to Phishing Attempts

- \* **Be cautious of unexpected emails or messages**, especially those requesting sensitive information or containing suspicious links.
- \* Verify the sender's identity before responding or clicking on any links.

#### Regularly Update Software and Systems

- \* Ensure all devices, software, and systems are updated with the latest security patches. Outdated systems are more vulnerable to attacks. By fully shutting down your laptop/PC at the end of the day this will ensure that the device has the latest updates.

#### Secure Data Storage and Sharing

- \* Avoid storing sensitive data on personal devices or unsecured platforms.
- \* Use encrypted methods for sharing or storing confidential information.

#### Report Any Concerns Immediately

- \* If you notice anything unusual, such as unauthorised access or suspicious activity, **report it to the Service Desk at OfficeXpress immediately** ([support@officexpress.co.uk](mailto:support@officexpress.co.uk)). Early detection can prevent further damage.

#### Educate and Stay Informed

- \* Familiarise yourself with our **data protection policies and procedures** (SO9 Data Protection Policy: <https://stbenets.org/about-us/policies/>)

By taking these proactive steps, we can significantly reduce the risk of a similar incident affecting our community. If you have any questions or need further guidance, please don't hesitate to reach out.

## Did you know...

St Benet's pays for all its employees to have free access to the Spectrum.Life employee wellbeing service. If you haven't registered yet, follow the simple instructions below to sign up online.

**The online platform is accessible from this link:**  
<https://donesc.spectrum.life/login?org=DoNESC>

On the home page you will be asked to enter your name and email address, create a password and choose who you work for from a drop-down menu (you should choose St Benet's) and this will then take you through to the welcome page. If you download the app it will ask for your Organisation Code which is DoNESC. If you have any problems registering, please contact [wendy.allsop@donesc.org](mailto:wendy.allsop@donesc.org)

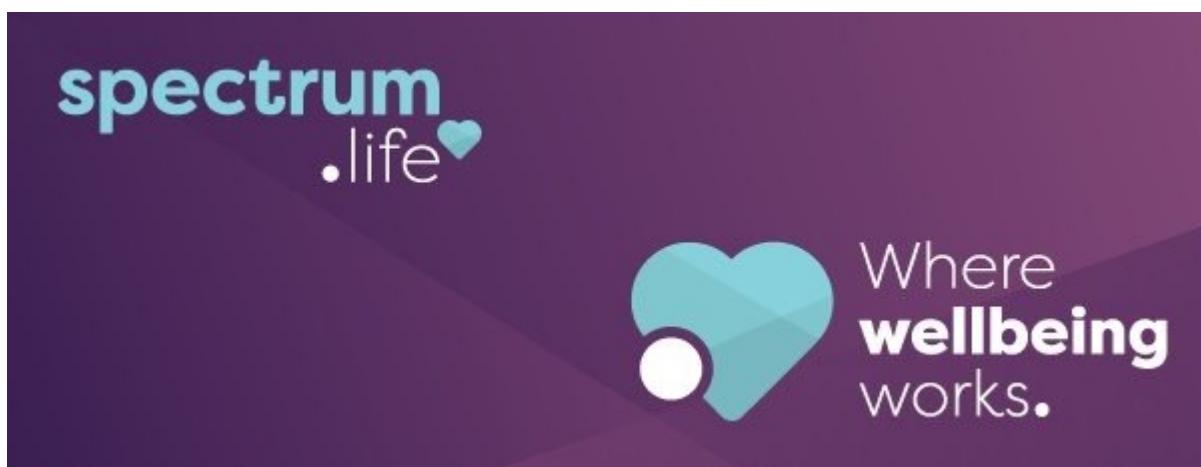

**The Spectrum.Life service also includes access to 6 free counselling sessions (virtual or face-to-face) via the Employee Assistance Programme, access to a Discount Marketplace, advice on fitness, nutrition and many articles, videos and audios around wellbeing.**

There are weekly running guides, advice on stress, diabetes, sleep, menopause, heart health, exercise videos and much more.

**B-Comms will focus on some of these specific areas in future issues and your Headteachers will be receiving some promotional material to share with you.**

**We encourage you to sign up and make use of Spectrum.Life; it's there for your benefit!**

# Our Values

## **Honesty** (n. Being honest; truthfulness)

*I have chosen the way of truth.*

Psalms 119:30

## **Courage** (n. Bravery, boldness)

*Have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the Lord your God is with you wherever you go.*

Joshua 1:9

## **Compassion** (n. A response to other people's suffering which goes beyond sympathy and is expressed in taking action to help)

*When Jesus saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd.*

Matthew 9:36

## **Hope** (n. Expectation and desire combined; feeling of trust)

*But if we hope for what we do not see, we eagerly wait for it with perseverance.*

Romans 8:25
